Hello to All Road Kings

Here we are already in July. It's been a really quick year so far. Our Johnny Carson car show went very well as I saw it. Everybody that attended seemed to be having a great time. I want to thank all the committee personnel. You guys all did a fine job. Also to all members that attended, we simply couldn't have pulled off the show without club support. And finally the chairmen Don and Frank. Again another year and you guys just keep making this show the greatest show in So Cal. A big thanks to you guys. And a special thanks to all the wife's, significant others, and all the women behind the scenes. I think we all owe you girls a dinner at your favorite restaurant (and the guys will treat!).

Hey listen up, we need to start thinking about new officers. I know its soon but this club doesn't doesn't move to quickly. We have three months to think about this so please!!!! for the good of the club.

We have had a couple of sad days last month. The passing of Frank's wife Virginia Pucio. I have known Virginia since I have bean a Road King in 1989. Virginia had a very quick sense of humor, especially when Frank was standing next to her. And you know she didn't give him an inch. We will all miss you Virginia, and now you can look down and see what a bunch of knuckle heads we Road Kings really are!. But I am sure you already new that one.

Another good friend of most of the Road Kings Bob Shrode passed away. Bob was probably one of the best Hot Rodders of Burbank times. He has owned some very fast hot rods, including his current one. About 20 or so Road Kings would go to Shrode's garage on Friday nights and eat good and have a lot of laughs as well. His garage was so much fun you just can't describe it. You needed some real thick skin to survive Friday nights at that garage. I remember one Friday night that I made the mistake of bringing beer. I brought Coor's cans of course! Nope didn't bring the bottles and I got about 20 minutes of shit for that mistake. And they never did drink the dam cans! Yeah that kind of stuff we are going to miss. Bob founded the Burbank Road Peasants. A twelve pack (bottles of course) and that would get you a plaque, and no dues car club. Why can't our club be that simple? Anyway Bob we miss you, especially those great Friday nights. Your buddy's the Burbank Road Kings.

Now Bob Sageser is going to be in and out of the hospital for awhile. Bob will be going through treatments at UCLA Medical Center for Leukemia. Bob we know you can beat it and we are all pulling for you. Your a man of steel!!!! Get well soon.

Yeah I know, enough from me. Drive Em More. They need to be out of the garage.

Rick

JANIS' JUNCTION:

Flowers were sent to the Pucio's Family for the passing of Frank's wife Virginia. Our thoughts and prayers go out to them at this difficult time.

Now remember back in the 50's when gum was cent and ice cream was only a dime? You could go out to dinner at very nice restaurant with your family of 5 and spend under \$30. Where are those days. I miss them and I bet all of you guys did too.

How about Drive-in theatres? I loved them. Stick the kids in back so they can fall asleep and you and your honey can watch a great DOUBLE feature.
